TRANSPORTATION SYSTEM

Ivan Cooper

Jewell Bennett

Melvin Williams

Ralph Hood

The five school buses which we have in operation now carry about three hundred and fifty grade and high school students each day.

We were unable to get a picture of one of our bus drivers, Mr. George Long, who was ill at the time these pictures were made.

BLOOMFIELD HIGH SCHOOL

SONG

There's a school upon the hill
Where the mocking birds are heard,
Down in Southeast Missouri in her glory;
And we claim her as our own
With a pride that never wanes,
We'll tell of her fame in song and story.

Chorus

It is victory today
For the Purple and the Gold
The colors of the Bloomfield High;
We will climb the highest hill,
And will shout with voices bold
The praises of the Bloomfield High.

We are very proud of her;
For since 1898, she has
Stood as a peerless school of learning.
In declamatory fights
She has carried off the prize,
While other schools for victory were yearning.

With the basket and the ball
She is noted for her fame,
And no team can break down her mighty standard;
Every student in accord has the spirit of the high,
And to win by her colors we are banded.

We will stand for Bloomfield High
And defend her worthy name,
Though we bid her farewell and go forever;
We will think of all the days
When within her honored walls,
There was born for her a love that none can sever.

VETERANS TRAINING PROGRAM

TOP ROW: Alvin Smyth, Jr., Instructor; Glynn McBride, Supervisor; Mildred Cooper, Secretary. BOTTOM ROW: Instructors, Gilbert Jones, Charles Reinbott, L. B. Vance and B. Rust Brown.

The Veterans' Training Program was started in Bloomfield High School in December, 1946, with 25 men enrolled. Now we have five full classes with 125 men in training.

This section of the Yearbook, the first of its kind in our school, is dedicated to whatever effort has been made by these men, whether still in the mind, planned, or actually carried out on their farms, toward proper land use and conservation of the soil.

We firmly believe that Dr. W. A. Albrecht, Chairman, Department of Soils, University of Missouri, was right when he said, "We are what we eat," and that there is a very close connection between our soils, our food, and ourselves. We also subscribe to the words of Charles E. Sweet when he said the following about

OUR SOIL — AMERICAN HERITAGE

The Soil is the Heritage of Our Nation. We, who call ourselves the owners of the Soil, are only its custodians for a brief span of time.

The Soil is our most priceless Possession . . . and our greatest Responsibility. Freedom has never flourished in a hungry and impoverished land.

God grant us the Intelligence to respect our Soil, and the Will to conserve it in all ways, so that when our period of Stewardship is done, we may pass on the Soil with its Fertility and Fruitfulness undiminished. Thus, our children's children and their children's children shall not know want, and their Nation will remain the Land of Plenty and the Home of Freedom.

ADULT EDUCATION PROGRAM IN CARPENTRY

JOHN FRENCH, Coordinator

Student using hand tools

The well-equipped work shop of Instructor John French also serves as class room for the eighteen veterans learning carpentry as a trade.

This class, which began training in December, 1948, studies four days each week from Carpentry textbooks selected by the State Department of Education. They use the work shop to practice what they have learned.

As a work project in construction, this class has recently completed a modern Home Economics Cottage for Bloomfield High School.

The Carpentry Class, which is a phase of the Adult Education Program, has as its objective to more adequately train veterans in the carpentry trade, thus enabling them to provide a higher standard of living for their families.

John T. Lawrence, Supt. of Bloomfield Schools, is administrator of the program.

MRS. McBRIDE

The Home Economics girls' dreams of moving into the new building partially came true this year. Even though the living-room, bedroom and bath were not furnished, we were happy to occupy the laboratory with its 4 unit kitchens and increased facilities for clothing work.

The good work done in the Home Economics classes was evidenced by the Christmas and Easter Fashion Shows, by the notebooks compiled on Textiles and Fabrics, Color, and on House Planning and Home Furnishings.

In order to gain a more complete knowledge of the business of Homemaking and living with people, the Home Economics girls exchanged classes with the Agriculture boys for two weeks. The boys were given short units on Manners and Etiquette, Fundamentals in Cooking and Operation of the Sewing Machine, while the girls were instructed in the use of simple tools and woodworking.

With the increasing number of girls interested in Home Economics, the lovely new building is a necessity. Over a period of time, the classes will have the experience of selecting the furnishings and helping to equip it so as to provide experiences as nearly like a home situation as possible.

The Future Homemakers of America is a national organization of pupils studying homemaking in the high schools of the U. S., Hawaii and Puerto Rico. It is a non-profit organization with 8 purposes, offering opportunity to develop social qualities, promote better home life, encourage democracy, promote international good will, provide wholesome individual and group recreation and to further interests in Home Economics.

The Bloomfield Chapter is one of 6,108 affiliated chapters and supplies 53 of the 237,133 members in 47 states and territories. It was organized in 1949 and has made great progress.

Among the major activities of the year were a Men's Fashion Show, Emily Post Week, Slave Day, Revenge Day, trip to Sub-District Meeting where one of our members was elected Sub-District Secretary, FFA-FHA Party, and the purchase of a punch bowl and cups set for the Home Economics Department, with some of the over \$100 made from their activities.

A number of members have received the Junior Homemaker Degree, and with competent officers and active members as we now have, the future is bright for the Bloomfield Future Homemakers.

WALTER SHUBLOM
Coach

The Bloomfield Wildcats started the season by winning their first four games, three of which were played at the Morehouse Invitational Tournament. They dropped their fifth game to Benton in a close contest, then fell to Advance and Puxico, but again started winning by defeating Grayridge and Essex. Then before winning from Morehouse, they lost to Doniphan by only one point. After that, they played in the Cape Christmas Tournament where they won third place in the consolation bracket. Soon after this, bad luck hit them by Ruble being injured in the first minute of play at Bell City, and the doctor saying that he couldn't play any more this year. After Jennings had time to become acquainted with the plays and defense, the team started clicking again. But it wasn't long before the hand of misfortune struck once more. This time Harris and Smith were left out of the line-up. The team was crippled badly, but the coach, patching things up as best he could, kept the team going, and they finished the season with about a fifty percent record.

The three leading scorers were Paul Wilson, Jr., Paul Phelan and Weldon Harris; with these three boys back next season we can look forward to a big scoring team. The scoring was pretty evenly balanced throughout the season with Harris, Ruble, Wilson, Jennings, and Phelan all having at least one turn serving as high point man.

Four Seniors played their last for B. H. S., Raymond Ruble, Dean Souders, Thomas Smith and Gene Davis. They will all be missed next year. Raymond Ruble was headed for the best year of his high school career, and if he hadn't had the misfortune of a severe ankle injury he would have finished in a blaze of glory.

The entire team played good, hard, clean basketball throughout the season and received many compliments on their good sportsmanship, regardless of whether they won or lost.

Coach Shublom named the following boys as the ones who are eligible to receive an award letter for the 1949-50 Basketball Season: Paul Wilson, Jr., Paul Phelan, Don Barney, Weldon Harris, Raymond Ruble, Willis Jennings, James Hutchison, Bob Patrick, Gene Davis, Thomas Smith, Dean Souders, Bill Alexander and Quincy Coggins, Manager and Mascot.

CLASS WILL

We, the Senior Class of 1950, being of unsound mind and disintegrating memory, after four strenuous years, do hereby make, publish and declare this as our last will and testament, hereby revoking all former wills, bequests and devises of whatever nature by us already made.

TO THE CLASSES

TO THE JUNIORS: We leave our Senior dignity, our excellent wit, our brilliancy, our good looks, our charming manners, our splendid grades, and our triumphant exit as the most popular class this school has ever seen.

TO THE SOPHOMORES: We leave our capacity for fun, our ability to giggle, our good times, our friendship, and our loyalty.

TO THE FRESHMEN: We leave our old seats with the tacks that tear our clothes, our lockers, that will not lock, our old books, with most of the leaves loose or gone, all the mistakes we made, and the knowledge we failed to learn.

TO THE TEACHERS

TO MR. LAWRENCE: We leave hope for another bunch of seniors that will look forward to the days he is "absent" but also respect him as we do.

TO COACH SHUBLUM: We leave a first-aid kit to repair damages on next year's basketball team.

TO MRS. BLOMEYER: We leave "quiet Seniors" to work in the Senior Stand that won't disturb commercial classes.

TO MRS. McBRIDE: We leave happiness in the new Home Economics building which we didn't get to enjoy.

TO MRS. VAUGHN: We leave hope for another class that will scream when the "mice" scatter.

TO MRS. ANDERSON: We leave hope for a Literature class room so the kids can hear her talk and vice-versa.

TO MRS. VANCE: We leave the authority to move the United States to Mississippi.

TO MISS COOPER: We leave hope for another Blossom Staff that will work in the nice quiet first-hour study hall.

TO MR. KITCHEN: We leave another class of seniors who put their feet on the table and use strong language.

TO MRS. COOPER: We leave hope that next year she won't have to interrupt classes with phone calls from "Mother" when it sounds like "Father."

TO THE STUDENTS

DEWEY ARMES: leaves his ability to be polite to girls to Johnny Lincoln.

BETTY ASLIN: leaves her sparkling personality to brighten classrooms to Joan Green.

CLINTON ASLIN: leaves his "vocal talents" in bookkeeping to Jean Bennett.

 DON CULBERTSON: leaves his quietness and good manners to Addison Lawrence.
 DEAN & GENE DAVIS: leave their ability to confuse girls to Dean & Gene Hood.
 REGINALD GODWIN: leaves his "influence" to dedicate the yearbook to the Railroad to George Scism.

 DEAN JARRELL: leaves his loud mouth's echo in the Senior Stand to P. D. Gillespie.
 DELORES LAUNIUS: leaves two of the male seniors of '49 to Helen Bates.
 GLEN LEIRER: leaves his "clamping of the jaws" to Bobby Jo (Boston Blackie) Carter.
 MARY LEWIS: leaves her neatness and good nature to Mary Sue Corbin.
 RONNY LONG: leaves his wit and wisecracks to Jim Mayo.
 DANNY MATTHEWS: leaves his modesty and bashfulness to Jack Rodgers.
 HELEN MCCOLLOM: leaves her red hair and fiery temper to Lois Edwards.
 WILMA PARKS: leaves ten easy lessons on how to stay little to "Corky" Tucker.
 FRANK PERKINS: leaves his love for the speech class to Thomas Colyer.
 JAMES POEPELMEYER: leaves his shyness and his way to hate "women" to Bob Patrick.
 ROSEMARY PHILLIPS: leaves her generosity and sweetness to Jeannie Parker.
 MARGIE PRITCHETT: leaves her sewing ability in Home Ec to Ann Cooper.
 MILDRED QUICK: leaves her dislike for boys to Lois Lee.
 MILLIE QUICK: leaves anything but his ambition to Don Barney.
 CARROLL ROBINSON: leaves his nickname "Rabbit" to take the place of "Grasshopper" to Arnold Blewer.
 RAYMOND RUBLE: leaves his ability to be class president for four years to Charles Hendley.
 LLOYD SIMMONS: leaves his good looks to a fellow "soda jerk," Charles French.
 TOMMY SMITY: leaves being "Reserved for Center" to Bill Alexander.
 DEAN SOUDERS: leaves his clever ways of playing tricks to Paul Phelan.

To this school, our beloved Alma Mater, in order to show appreciation of all that it has done for us, we do, in this last will and testament hereby bequeath the amount of ten thousand memories, as a lasting memorial of this Senior Class of 1950.

Signed,

Seniors of 1950
